CURRENT TREATMENT OPTIONS IN ONCOLOGY

The Abstracts of the Chemotherapy Foundation Symposium
are published by
Current Treatment Options in Oncology.

Current Treatment Options in Oncology was developed out of the recognition that it is increasingly difficult for specialists to keep up to date with the expanding number of treatment options in oncology. The journal aims to provide expert views on current treatment options in oncologic medicine in a clear and readable format.

10% Special Discount for Symposium Attendees!

Take advantage of this special offer and receive a one-year subscription to *Current Treatment Options in Oncology* for \$120. To subscribe, please complete the form below and send check or money order to:
